The Wizard of Oz – ISC Musical: \$850

This spring the elementary Independent Skills Center will perform a full scale theatrical production based on the classical book The Wizard of Oz. The musical will star thirty-two students with a wide range of physical and mental disabilities. Students will participate in all aspects of this stage production.

2005-2006

Breakfast Club: \$948

The goal of this project is to boost student literacy skills in identified areas of need. Breakfast Club is an extension program for kindergarten through third grade students who are at-risk of not meeting reading benchmark targets. Games, literature and activities will be chosen to target specific literacy needs such as phonemic segmentation, nonsense word fluency, vocabulary, reading fluency and comprehension.
