

Merlo Station High

2010-2011

T-Shirt Company: \$1,000

This high interest project will provide the business class with valuable work place experience through T-shirt printing and sales. Students will gain experience in supply and demand, budgeting, sales forecasting, web design, shipping, advertising, start-up issues, commercial design and labor issues.

2008-2009

Exploring Latino Culture: \$1,000

This project will provide students an exciting opportunity to work with professional bi-lingual actors while learning the theory of Environmental Justice Theater. Students will explore current social topics affecting them and the Beaverton area directly. Students will develop dialogs and write scenes reflecting the topic.

BEF Community Awards: \$500

(Awarded to activity groups that assist with the annual BEF Phone campaign)

Science and Technology Model United Nations

2007-2008

BEF Community Awards: \$600

(Awarded to activity groups that assist with the annual BEF Phone campaign)
