

## Westview High

### 2009-2010

#### **Social Studies and Language Arts Intervention: \$560**

The 11<sup>th</sup> and 12<sup>th</sup> grade intervention classes are created with teachers and counselors teaming together to address both the academic and social needs of students who have a history of academic failure. The goal of the class is to provide a venue for students to recover lost credit needed for graduation, acquire new skills and knowledge that will help them in all academic areas.

#### **Westview INK (Wink) Literary Magazine: \$1,000**

The purpose of the magazine Westview Ink (WINK) is to showcase the literacy and artistic minds of high school students in need of their own place to shine. WINK will be published quarterly and will include all forms of writing and art. Students passionate about the project will have the chance to create a magazine with a tone that is energetic, witty and above all enlightening.

#### **BEF Community Awards: \$3,675**

*(Awarded to activity groups that assist with the annual BEF Phone campaign)*

Cheerleading, Choir, Culinary, Key Club, Speech and Debate, Thespians, Wrestling

### 2008-2009

#### **Connecting with Bicultural At-Risk Students: \$1,000**

Collaborative effort with 4 high schools to educate students and parents on the progressive stages of crime, and to promote student and parent communication, positive life skills and bonding. Students and parents will work with model inmates, who are members of the Los Hermanos Young Crime Prevention and Education Program at the Oregon State Penitentiary.

#### **BEF Community Awards: \$2,625**

*(Awarded to activity groups that assist with the annual BEF Phone campaign)*

Health Careers, Thespians, Choir, Culinary Arts, Cheerleading

**2007-2008**

**School Wide Literacy Magazine – WINK: \$1,000**

**Sponsor – Verizon Foundation**

The purpose of the magazine Westview Ink (WINK) is to showcase the literacy and artistic minds of high school students in need of their own place to shine. WINK will be published quarterly and will include all forms of writing and art. Students passionate about the project will have the chance to create a magazine with a tone that is energetic, witty and above all enlightening.

**Creating Tactile Graphing Calculator for the Blind: \$1,000**

Grant funds will be used to continue the physics project that was started last year as part of the MIT Inventeam competition. The project will allow students to explore the world of engineering through designing, creating, and presenting their findings as they work to produce a functioning Tactile Display Graphing Calculator to help the visually impaired. Students will be working in partnership with mentors from Intel and Texas Instruments.

**BEF After-the-Bell Student Success Award: \$1,000**

Funds to assist students with participation fees, helping to ensure that all students will have the opportunity to participate in activities such as sports, band, drama, choir and leadership clubs.

**BEF Community Awards: \$4,425**

*(Awarded to activity groups that assist with the annual BEF Phone campaign)*

Health Careers, Culinary, Forensics, Cheerleading, Thespians, M.E.Ch, Choir
