

We turn to you – our valued community – to seek nominations for the Beaverton Education Foundation Board of Directors. With your input and recommendations, we are able to identify our future leaders who represent the voices of Beaverton.

**BEF's Mission:** *We mobilize community resources to ensure that our students have equitable opportunities to reach their brightest future.*

### **Who should I nominate?**

Board candidates should share BEF's mission, be willing to commit to at least one **three-year term**, have excellent leadership and volunteer management skills, a strong work ethic and an interest or specific knowledge in at least one relevant area such as: communications, education policy and practices, finance, fundraising, marketing, online community management, project management and strategic planning. In addition, we hope to find candidates who will expand our commitment to an inclusive and diverse board that encompasses the many perspectives of students and families in Beaverton 54 schools.

### **Nomination process**

It's simple and easy to nominate yourself or a member of our community. Send an email to [info@beavertonedfoundation.org](mailto:info@beavertonedfoundation.org) with the following information:

- Your name or name of nominee
- Telephone and email contact information for yourself and the person you're nominating
- Name and location of nominee's employer
- One - two sentences about the strengths and experience of yourself or the nominee – describe your familiarity with the individual's qualification
